

Welcome back to school, parents!

This year our school will be participating in the Box Tops for Education™ program. My name is Joan Herlein, and I'm happy to be the Box Tops Coordinator for Concord Elementary School. Clipping Box Tops is an easy way for you to help our school buy what it needs. Box Tops are each worth 10¢ and they quickly add up to real cash for our school. This school year, our school's earnings goal is \$2,100.

To help our school, just look for pink Box Tops on products, clip them, and send them to school with your student. Each classroom teacher, K-5, will collect them in their room. There will be a reward for the class that brings in the most Box Tops.

For more information on the Box Tops for Education program, including a list of participating products and our school's progress, visit www.BTFE.com. You can become a member to receive exclusive coupons and recipes and learn about extra ways for our school to benefit.

I hope you're excited for everything we can do this year with Box Tops! If you have any questions, please don't hesitate to contact me at joan.herlein@concordschools.net or 517-524-6650, ext. 1314. With your help, we can make our school's Box Tops for Education program a huge success this year.

Thanks for your help!

Joan Herlein
